The mission of the Greater Atlanta Synagogue Education Directors' Council is to provide a collegial forum for education directors to work together as a *kehilah* to foster learning for our diverse institutions, families, teachers and children.

Revenue to cover EDC sponsored professional development opportunities and general administrative costs is derived from membership fees paid annual by all member congregations and funding from Federation.

EDC MEMBERSHIP LEVELS:

<u># of Students</u>	<u>Dues*</u>
100 or Less	\$25

Participating members of the EDC agreed to incorporate a set of staffing guidelines known as the **Brit M'chanchim**, ratified on February 8, 2007, when making staffing decisions for the upcoming school year. It may also be shared with synagogue clergy/professional staff. Committee members are to have their teachers read and sign the Brit M'chanchim yearly.
